Spotlight Story

## Neighbors Gather To Enjoy Fall Festival

Brisk winds couldn't freeze the warmth of community spirit as Loma Linda hosted its first-ever Fall Festival on Thursday, October 30. A team of hardworking volunteers transformed the newly refurbished park into a space for celebration. Over 100 neighbors came together to enjoy the music, food, and games. Residents decorated their cars for trunk-or-treating and passed out candy for the kids. Organizers called the festival a heartwarming success—a new tradition to strengthen the bonds of our community.

## Message from the President

We are making changes to keep school children and drivers safer. The entrance and exit lanes out front are designated no parking at any time by Polk County. To pick up and drop off for the bus, just park around the corner and walk over to the bus. We are having benches installed out there soon. We are also installing benches next to Alta Vista Court and across from Ronda Court for school bus pick up. I have seen kids sitting on the dark street in the morning while waiting for the bus. The nearby bench will be a much safer alternative.

Have a great Thanksgiving and enjoy all the upcoming Holidays.

Community Feature

## Community Yard Sale Success

Dozens of families participated in Loma Linda's Community Yard Sale held on Saturday November 8. The weather was perfect for treasure hunting, and as always, our large banner attracted many visitors off of Ronald Reagan Pkwy.

We also hosted two outside vendors, Brulée Coffee and From the Farm Produce. We are looking forward to welcoming them back for future events. The spring yard sale is scheduled for Saturday, March 14.

## Interested in Community Watch?

A Community Watch program helps neighbors look out for each other and report suspicious activity. It's a key partnership with local law enforcement to deter crime in our neighborhood.

A neighbor recently asked about reviving our official group. If you are interested in joining or leading a Community Watch, please contact the HOA Board at [Lomalindahoa@gmail.com](mailto:Lomalindahoa@gmail.com) or call (863) 307-7561 to express your interest!
