

FROM THE PRESIDENT

New Benches Are Here!

Chris Burch
President

Earlier, we asked residents to let us know where additional benches would be helpful throughout Loma Linda. I'm happy to report that three new benches have now been installed for our children waiting for the school bus.

You'll find the new benches near Ronald Reagan, across from Valentino Ct., and across from Ronda Ct.

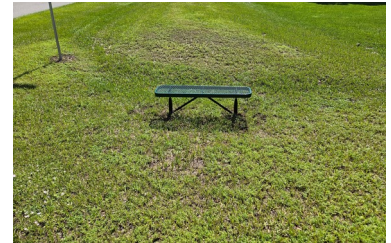

A special thank you to Ron Villa and Dennis Ciccotelli for getting them installed. Your help is greatly appreciated!

LANDSCAPING UPDATE

Loma Linda Is Looking Good!

Del and his crew have been hard at work keeping our community beautiful.

The front entrance has new plants and fresh red mulch through the center, and the difference really shows. The freeze earlier this year took out a lot of the plants up front, so it's especially nice to see the entrance coming back to life.

Thanks, Del and crew, for all your hard work keeping Loma Linda looking great!
